Unexpected vet bills can be overwhelming, but with To The Rescue Pet Care for cats and dogs, you won't have to choose between your pet's health and your finances.

From the TV show "To The Rescue" Insurance that helps save lives

Our Mission

We are especially committed to helping pets remain with their families during times of economic hardship. We believe that pets are more than companions, they are vital to our emotional and physical well-being.

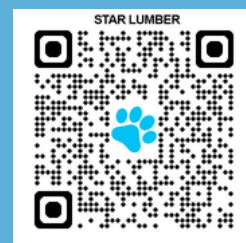

Helping the most vulnerable dogs find their forever homes.

Healthy pets, stronger families, a better world!
